

Belle Harbor Yacht Club Family Sailboat Regatta 1967

pick of the fleet!

easy-to-sail . . . in minutes—even if you've never sailed before. All our boats feature single sails, simple rigs, easy-to-handle lines and fittings. And safety is built in.

easy-to-carry . . . Lake, seashore or sound, Alcott boats go with you. Lightly, atop your car . . . in station wagons . . . on small trailers. You take your fun where the action is.

easy-to-own . . . One of today's biggest values in family fun. Easy to keep and store, too, thanks to Dacron® sails, molded Fiberglass® hulls, aluminum spars and marine quality fittings.
